### General Information 5768

1. If you have a preference for seating location, please note it on the seat reservation form. Please indicate left, center or right when facing the Aron Kodesh. The seat arrangement may be slightly different than usual as a few rows of seats will be added to all sections of the Shul.
2. Additional seating will be setup for women in the kiddush room which will be separated from the main shul by a lattice mechizah.
3. Members will have first choice for seats through August 31st. Thereafter, all seats will be assigned in the order that reservations are received.
4. Children are permitted in the Shul during davening, but seat reservations can be made only for children over 5 years old (the age of chinuch). Parents must closely supervise all children, regardless of age to insure that the davening of others is not disturbed. It is halachically required for a parent to remove a child from Shul if the child is disturbing the kavanah of other mispallelim.
5. The Gaboim will rotate Aliyot among Shul members for Yomin Noraim. It will take more than one year to get to everyone. If you are called up for an Aliyah on Rosh Hashanah or Yom Kippur, a contribution to the Shul will be requested with the Mishaberach after the Aliyah. If you have a chiyuv and must have an Aliyah or if you prefer not to have an Aliyah, please indicate that on your reservation form or notify the Gaboim directly.
6. Please make all reservations by filling out the reservation form, not by phone. Please mail forms to The Shul at the Lubavitch Center, 6701 Old Pimlico Road, Baltimore, MD 21209. Phone reservations will not be posted on the seating chart until payment is received.
7. If you have filled out a membership form in the past, you need only to make needed changes on the Aliyah card will be included in your membership/seat package if available.
8. Yizkor forms must be filled out each year.
